I would like to express my thanks to all the people who helped make this yearbook possible. It could never have been finished without the help of the Second Tussey Bunch—Pat, Packy, and Jan; my assistant editor—Mary Ann; Bill the photographer; and my able business manager—Jody. Only one other person remains to be thanked—Mike—who helped us through the rough spots.

After having been Editor of the Alfarata for two years it is with much sadness that I leave. All the same I wish next year's editor and staff all the luck and fun that I have had these past years.
